The BARKER ROAD DIARY

Good luck!
Next Year!
Study hard!
Always be a
"bright" spot
in my mind.
Mrs. Pearson

We present a record of our year
in diary form. This covers the span
of a typical day at Barker Road.
This yearbook is a student production.
The photography, the developing, the
typing, art, and composition was done
by students

DEAR DIARY:

The bus was almost on time
today

we only had to
wait 30 minutes

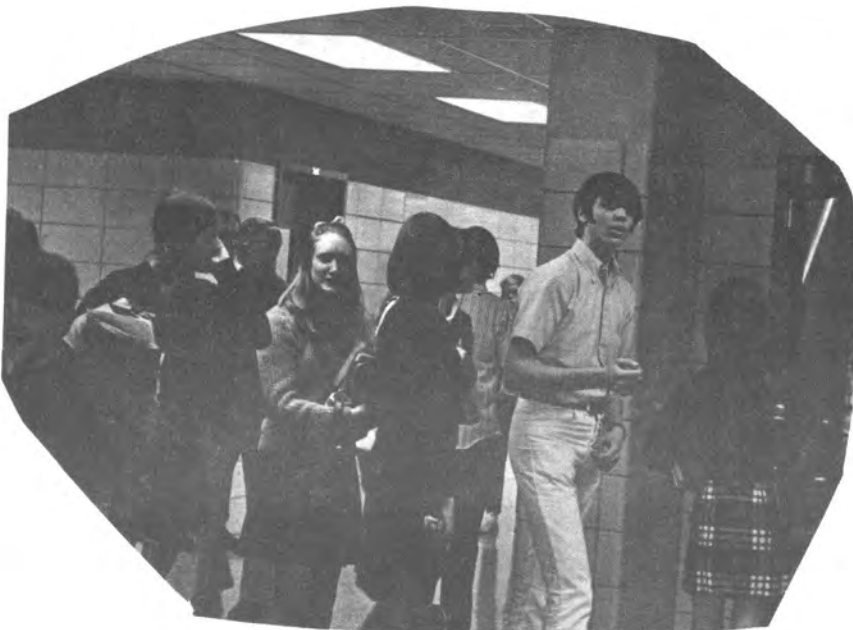

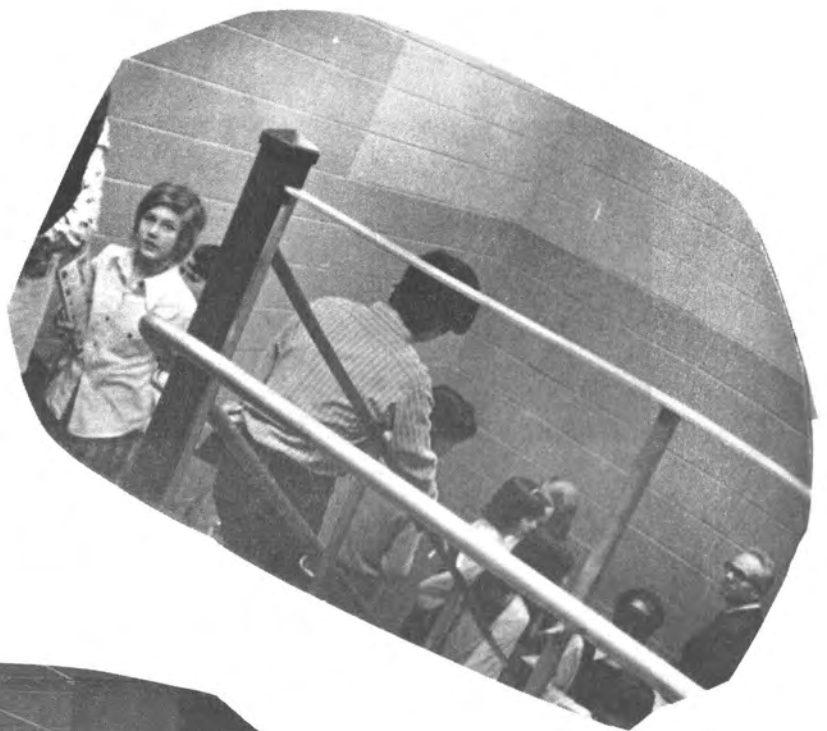

the empty
hALLS in the
morning look
weird...

but they
fill quickly

they
sure
do!

Yes DIARY

I'll always remember trying to see
who could be the Latest to our

Home Rooms.

It was fun trying to wander
in the HALLS during homeroom. Of
course that meant we might miss
the announcements. Oh, dear!
